### **What's Happening**

We have just finished our fourth reading unit, The Elves and the Shoemaker. The children continue to learn about lines, circles, and how to handle a book correctly.

This unit taught top, middle, bottom and parts of a whole. We now turn our attention to the season of Advent, where we will learn about waiting and the Holy Family.

Each day we will practice on stage and learn about proper stage etiquette.

The children are also excited for the special Christmas projects we will complete to share with our family.

Another exciting event is the week of code, where the children will see how some of their games work by writing the correct sequence of numbers and words.

Thank you again for all that you do and for sharing your little ones with us.
